We are very pleased with our Key Stage 2 SATS results in 2016. The number of children reaching the new, more challenging national expected standard was higher than the national average in all 3 key areas of reading, writing and maths. The figure of 66% of children reaching the national standard in all 3 areas combined is significantly about the national average. Well done year 6s!

### Progress from Key Stage 1 to Key Stage 2

Reading	1.61	-0.22
Writing	3.23	0.41
Maths	2.82	0.04

#### Guide to understanding table:

-2 or lower = significantly lower than expected progress

-2 to 0 = lower than expected progress

0 = expected progress

0 to 2 = higher than expected progress

2 or higher = significantly higher than expected progress

Our year 6s made excellent progress since their Key Stage 1 assessments back in year 2. To put the figures above into context, this means we are in the top 10% to 20% of schools for progress nationally. We are very proud of their achievements.
