Dear Parents/Carers

Year 3 pupils experienced the live orchestral music of the **Essex Symphony Orchestra**. They were grateful for a coach to take them to The Civic – and enjoyed playing percussion along with the Orchestra as well as listening to songs from E.T., Pirates of the Caribbean, Jurassic Park and even Star Wars where they got to meet Darth Vader!

Classes for next year are as follows:

New children in FS will be taught by Mr Mann in Badger Class and Mrs Lee with Miss Heathcote in Hedgehog Class.

FS are not being re-arranged as we feel they are well balanced already.

Hedgehog Class will move to Mrs Mann in Year 1,

Badger Class will be with Mrs Cook and Mrs Dennis-Lander.

1C will move to 2C (Mrs Child); 1H will move to 2M (Mrs Muir)

The Year 2 Classes are being rearranged and parents will be told the new classes in a separate letter. Mrs Rourke and Mrs McLoughlin will be the two Year 3 teachers.

3R will be moving to 4YS (Mrs Yerrell with Mrs Scullion);

3F will be moving to 4SH-W (Mrs Spencer with Mrs Hayward-Windsor)

4SH-W will be moving to 5E (Mr Evans) ; 4YS will be moving to 5B (Mr Barlow)

5B will be moving to 6A (Miss Austin);

5E will be moving to 6FT (Mr Fisher with Mdme Taiyeb)

We are letting you know earlier than last year so that your children have more time to adjust to the change, make links with their new teachers and, we hope, reduce the stress about moving classes and help them to look forward to it. There will be a move-up morning in the last week of term, and the FS children have already had some time with their new teachers.

Exciting News!

The Governors have approved the spending on the new **Multi Use Games Area** which will be installed on our grassy/ muddy/ bare earth area over the summer holiday. Thank you, Mr Evans and Mr Clarke, for all your work to get this underway.

Live Fully, Laugh Often, Learn Deeply, Love as God Loves You and Let Your Light Shine

A number of our Year 5 pupils visited St. John Payne School this week and experienced the excitement of the Science labs. Year 5 pupils have also been teaching the FS pupils to use the new programmable robots.

The Art around the school has been continuing, and we are looking forward to showing lots of the art at Exhibition Evening on Friday 13th July.

Here are the greatest number of performers that have rehearsed in the demountable at one time.

Violin Lessons

There are a couple of spaces available for violin lessons if any children are interested. Please let the office know.

Sports News

There were some fantastic performances from the **Athletics Competition** last Friday. We came 4th in our group, which was commendable.

This week the year 5s returned to Columbus Sports Hall, this time to partake in a Dodgeball Competition. It's one of the wildest and most enjoyable events. They came 5th out of 9 and weren't far off the medals. A good time was had by all.

We are currently inviting applications from the parents/ carers of 4-7 and 7-12 year old children who would benefit from the classes but are prevented from attending by financial constraints. In particular children from disadvantaged backgrounds who are: shy and unconfident, confident but unfocused, or gifted and talented in the performing arts.

Our next deadline for applications is June 30th.

You can read more about it [here](#).

SMOKE ALARMS

Smoke alarms save lives. They give vital warning at the first sign of fire, waking anyone asleep and giving everyone time to get safely out. Make sure you have a smoke alarm on each level of your home and make sure that you test those alarms regularly.

To arrange for a free home fire safety visit call us on 0300 303 0088.

ESCAPE ROUTES

When fire strikes, it is vital that you and your family know your escape route so you don't waste time. Every second counts in an emergency.

Prepare an escape route, make sure everyone knows it and practices your escape. Keep your escape route clear so there are no obstacles to slow you down. Make sure everyone in the house - including friends and family who may stay over - knows where all keys to doors and windows are kept.

KITCHEN

The kitchen is a flash point for fires in the home with more fires starting in the kitchen than anywhere else. Make sure that you do not let distraction become a deadly danger in the kitchen.

Never leave cooking unattended, never leave children alone in the kitchen and if you have to leave the room to answer the door or phone, turn off the cooker.

Keep tea towels and cloths away from the cooker and make sure that all electrical appliances are in good working order.

HOME FIRE SAFETY VISIT

We recommend that each floor of your home has a working smoke alarm fitted. These should be tested on a weekly basis and batteries replaced if necessary.

We provide smoke alarms completely free of charge to arrange a free home fire safety visit from one of our technicians contact us now.

By phone, ask for the Home Fire Safety team on:
