Dear Parents/Carers

What a fantastic Sports Day! Fabulous weather, plenty of shade for the children (thank you to the PTA and others for bringing gazebos, and Gt Leighs Primary school for lending some), and despite the heat, great racing.

It is fitting that we have heard this week that The Bishops' has been awarded the Gold School Games Award for the second time. This is a great accolade to the hard work of Mr Evans and Miss Hinchcliffe, and to all of you parents for supporting so many sporting events – and it is also about all the internal sport that we do. If we achieve this for a third year we will be in line for the Platinum Award.

We came 2nd in the **County English Competition!** Here's the wonderful team, who Miss Austin tells me had great fun from the start of the journey there to being dropped back in school.

The **Choir** had a very busy weekend, being involved in two events on Saturday. We are indebted to Mr Barlow and Mrs Fellowes for preparing the children for these events. The concert in the evening in Chelmsford Cathedral, when our pupils joined with several other schools, an adult choir, and the impressive Essex Youth Orchestra, was outstanding. Well, done, choir, and thank you, parents.

We enjoyed a very creative assembly last Friday. Thank you, 1H!

SMOKE ALARMS

Smoke alarms save lives. They give vital warning at the first sign of fire, waking anyone asleep and giving everyone time to get safely out. Make sure you have a smoke alarm on each level of your home and make sure that you test those alarms regularly.

To arrange for a free home fire safety visit call us on 0300 303 0088.

ESCAPE ROUTES

When fire strikes, it is vital that you and your family know your escape route so you don't waste time. Every second counts in an emergency.

Prepare an escape route, make sure everyone knows it and practice your escape. Keep your escape route clear so there are no obstacles to slow you down. Make sure everyone in the house - including friends and family who may stay over - knows where all keys to doors and windows are kept.

KITCHEN

The kitchen is a flash point for fires in the home with more fires starting in the kitchen than anywhere else. Make sure that you do not let distraction become a deadly danger in the kitchen.

Never leave cooking unattended, never leave children alone in the kitchen and if you have to leave the room to answer the door or phone, turn off the cooker.

Keep tea towels and cloths away from the cooker and make sure that all electrical appliances are in good working order.

HOME FIRE SAFETY VISIT

We recommend that each floor of your home has a working smoke alarm fitted. These should be tested on a weekly basis and batteries replaced if necessary.

We provide smoke alarms completely free of charge. To arrange a free home fire safety visit from one of our technicians contact us now.

By phone, ask for the Home Fire Safety team on:
